

## Our Family Core Values

1. In our family, we honor God with our words and with our actions.
2. We will always seek to honor our family name by our words and with our actions.
3. God established the line between life and death. In our family we will always choose life over death.
4. When I do not know, I will ask; if I'm not allowed to, I will seek permission.
5. Right is right even when no one is doing it and wrong is wrong even if everyone else is doing it.
6. I will not let someone else bear the consequences for my mistake or sin. I will seek forgiveness for my wrong and apologize for my mistakes.
7. My family is trusting that I will always tell the complete truth.
8. We do not make fun of another child because of how they look or what they lack, nor do we hold back our friendship.
9. We do not treat other people based on their riches or poverty, but how precious they are to God.
10. We will always take care of the things God has given us. We will always take care of another person's property even better.
11. I will never leave my brother/sister behind or in a situation where they can be hurt.
12. Before I come to tell Dad & Mom the wrong of a sibling, I will encourage my sibling to do the right thing.
13. We do not take advantage of someone else's mistake.
