

Touchpoints Bag Suggestions

As part of a class you may like to prepare a 'Thoughtful Gift' for your class members with a small token to represent each of the Love Languages to help teach this concept to their children.

We use a small gift bag (ones with hearts on it are often on special after Valentine's Day) and place one or two of the items listed below in the gift bag. These are only suggestions – you may come up with your own.

- Words of encouragement
 - Small Blank Card
 - 'Pass it on' cards
 - Small Blank Notepad
 - 'Post-it' notes
- Physical Touch & Closeness
