

GOOD – represents you.
It represents the minimum required in a moral situation.

BETTER – represents our family.
Take the next step in extending a courtesy.

BEST – represents God.
It is doing over and above what is required.

GOOD is acceptable,
and
BETTER is preferable,
but
seeking to please God is most **desirable**.

Philippians 1:10a (NKJV)
“That you may approve the things that are excellent...”
